### CHANGE IN ELECTION PROCEDURES

The newly-elected National President, Mrs. Eunah Holden, has sent us the following release which will indicate the changes made necessary by the passage of the amendments to Article VI, Sections 12 and 13:

"At the National Convention of the Delta Kappa Gamma Society in Dallas, Texas, August 6-12, Article VI, Sections 12 and 13 of the Constitution were amended. The national policy implementing these amendments follows:

"In the spring of 1951 each state organization shall elect officers. The State President, the First Vice-President, the Second Vice-President, the Recording Secretary, the Corresponding Secretary, and the Parliamentarian shall be elected for a two-year term by a majority vote of the members present at the state convention. The State Treasurer and the Executive Secretary shall be selected by the Executive Board.

"With the exception of the Treasurer and the Executive Secretary, a state officer who served during 1948-50 and was re-elected for 1950-52 shall not be eligible for nomination for the 1951-53 term. A member may not serve five consecutive years. With the exception of the Treasurer and the Executive Secretary, the term of office shall be two years and no state officer may serve longer than two terms in succession."

"In the spring of 1951 each chapter shall elect officers. With the exception of the Treasurer and the Executive Secretary, all officers of the chapter shall be elected for a term of one year by the majority vote of members present at the time of election. The Treasurer and the Executive Secretary shall be selected by the Executive Board of the chapter.

"With the exception of the Treasurer and the Executive Secretary, a chapter officer now serving a second consecutive term shall not be eligible for nomination for the one-year term. Only the Treasurer and the Executive Secretary may serve five years or longer than two terms in succession.

"In the spring of 1952 and in even-numbered years thereafter, each chapter shall elect officers for a two-year term. State organizations shall continue to elect state officers in the odd-numbered years."

### THE USE OF KEY CARDS

Because of a change in procedure for ordering keys from L. G. Balfour Company, we were without new Key Cards for some time. Requests for cards were filled from those carrying the signature of the immediate past National President. All cards bearing the signature of Miss Birdella Ross will be honored by L. G.

Balfour Company. Please watch for the announcement of the change in the method of ordering keys. When we receive the new forms from L. G. Balfour Company we shall see to it that all chapters are advised.

### MEETING OF THE PLANNING COMMITTEE

In accordance with the procedure followed since 1946, the Planning Committee will meet at Thanksgiving time. It will convene at the Jefferson Hotel, St. Louis, Missouri. The members of the Planning Committee are the National Officers:

- President: Mrs. Eunah Holden
- Vice-President: Mrs. Edythe Salvesen
- Treasurer: Miss Berneta Minkwitz
- Parliamentarian: Miss Laura Braun
- Executive Secretary: Dr. M. Margaret Stroh

Two representatives of the National Founders:

### NEW STATE PUBLICATION

Maine has added another to the list of state publications. It has named its publication "ALPHA PSI MAINSPRING." The name was chosen because "a mainspring is the most important spring in a mechanism; hence, chief motive or cause." The news from the various chapters in this publication indicates that the Maine groups are forging ahead in organization work in a remarkably efficient manner.

### OKLAHOMA MAKES PLANS FOR THE YEAR

The Executive Board Meeting was held on September 23 in Oklahoma City. The members of this vigorous state organization are looking forward to their State Convention which will convene on March 30, 31 and April 1. They are departing from their usual procedure by having the state meeting at Murray Lodge, where
